

Bröken Fest – Festival Rules

Like every year here is our festival ABC.

Here you can find all necessary information about the Bröken Fest 2019.

Arrival and departure:

The arrival can already take place on Thursday, 13th June from about 4 pm.

From this time onwards the campground will be open all the time.

The departure must be completed by Sunday 3pm.

the location:

For those of you who will be there for the first time, let me say one thing: Bad weather?

We don't know! Our concerts take place in a huge airplane hangar, regardless of the weather.

We can celebrate in a relaxed and above all dry way, even if the world outside ends!

Furthermore, all paths are paved, so there can be no mud battles.

on arrival and departure.

Camping:

Every year again... As already in the past year the environmental authority... after they promised further camping areas, they've withdrawn their permission again the week before the festival takes place!

I.e. we will only be able to use the camp areas we had last year.

Therefore, we request you to park your vehicles on the parking place and not park it on the campsite.

Also avoid large gaps between your camps/tents.

For camper vans we have two extra parking spaces directly opposite the campsite.

Please use them and follow the instructions of the guides. We would like to point again that this decision does not come from the organizer, but from the authorities!

IMPORTANT!

All green areas have been designated by the environmental authorities as breeding areas or biotope areas under protection.

Any entering and/or driving is strictly forbidden!

We would like to ask you urgently to keep this.

Controls by the authorities might take place.

Any violation will be reported by the authorities.

The protected areas will be signposted by us.

Campground:

Since the camp areas are very dry again, open fire on the whole area is strictly forbidden.

If you want to barbecue, please make sure you have a fireproof surface under your barbecue or place a bucket of water next to it.

We would be very grateful if you would avoid glass bottles, because you'll save us a lot of work cleaning the surfaces.

Every visitor gets a garbage bag on arrival - please use it.

On Sunday you could leave your garbage bags at the garbage cans, or directly in the large garbage container at the hangar.

Please leave your pets, especially dogs, at home, since a festival is not a suitable place for pets.

Bar:

In order to shorten the waiting times at the bar this year, we offer "Drink Tickets". i.e. you can buy tickets in the amount of 10 €, 20€ & 50€ at the cash desk and which will be wiped off at the bar car. This will save you waiting time and you don't have to carry your cash with you.

Important! The tickets are only valid for drinks, not for food, merch etc!!

Cash:

unfortunately we cannot offer card payment at the festival.

The nearest cash machines are in Hohenaspe (3,5km) or in Hohenlockstedt (3,8km).

Since you are the most peaceful and best festival visitors one could wish for, we know that everything will run smoothly and harmoniously and we will once again have an unforgettable party together.

Pay attention to one another, be considerate and not afraid to consult of one of our helpers in case you need help or just have questions.

Let the show begin!!!!

See y`all in the hangar!!
